The screenshot shows a mobile application interface. At the top, the status bar displays 'AT&T LTE', '8:28 PM', and '59%' battery. Below the status bar is a navigation bar with 'Library', a menu icon, and search and bookmark icons. The main content area is titled 'Skateboard Parts' and features a video player showing a skateboard deck and trucks. Below the video is a paragraph of text explaining the importance of understanding skateboard parts. A list of parts is provided, including the skateboard deck and trucks. At the bottom, there is a page indicator showing '3 of 37' and '1 page left'.

Skateboard Parts

Before you begin skateboarding, it is important to know and understand all the different parts of your skateboard. Having the proper equipment can mean the difference between doing well or not in your skating. Watch the following video. Be sure to pay close attention, as I want you to know the correct equipment to get.

Grab your skateboard and locate the following parts:

1. The skateboard deck.
2. Trucks.
